

Gast's authorized full service source in Canada

AUTHORIZED REPAIR DEPOTS

Canada's only Gast-authorized service centres with factory-trained technicians to provide regular and warranty service.

LARGE INVENTORY

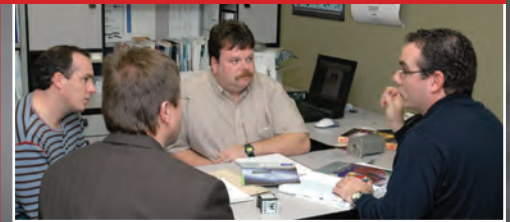

Our extensive and widely distributed inventory of units and parts provides next day access to most of Canada.

APPLICATION ASSISTANCE AND FACTORY SUPPORT

We are the only Canadian distributor backed by Gast with application support. Our factory-trained inside and outside technical sales reps have the experience to help with virtually all your applications.
