

1) not included in scope of delivery, 2) Lateral offset, 3) Distance to BTL

Basic features

Principle of operation BTL magnets, profile style
Version floating

Environmental conditions

Ambient temperature -40...85 °C
Storage temperature -40...85 °C

Material

Housing material POM

Mechanical data

Dimension 37.6 x 18.3 x 21 mm
Lateral offset max. 5 mm
Mounting part Cylinder head screws M4x35
Weight max. 25 g
