

Driving Operational Efficiency at GFL With Wainbee's National Hose & Fittings Service

Wainbee, in partnership with Parker Hannifin, proudly supports GFL Environmental in Ontario with a National Pricing Agreement that delivers value, consistency, and dedicated local support

PREFERRED PRICING

Access exclusive benefits on Parker products through Wainbee, your authorized Parker distributor.

STANDARDIZATION

A defined list of "core" Parker products helps simplify procurement & ensure reliable performance.

LOCAL SUPPORT

Wainbee & Parker Teams across Ontario provide GFL locations with dedicated Service & Technical Support.

GlobalCore™ Hydraulic Hoses

Constant pressure, tighter bends, & tough abrasion resistance - with only two fitting series.

Critical Protection (CP) Hose Cover

Enhanced durability & defense against damage - extending hose life in demanding applications.

PARKRIMP® Hose Fittings

Reliable 43 & 77 Series fittings with a leak-free monoblock design for all hose applications.

Crimpers

Parkrimp® crimping equipment delivers factory quality hose assemblies safely, quickly, & effortlessly.

Vendor-Managed Inventory

Reduce carrying costs with Wainbee's expert hose & fitting supply management.

PTS Labelling

Making hose ordering simple, fast, and reliable.

Get Started Today! Contact your local Wainbee Representative to learn more about the National Pricing Agreement & discover how we can support your team.
