

Get Clean Air Wherever You Are

MiracleAir™

Ultimate Commercial Grade High Efficiency HEPA Air Cleaner

IT'S THAT SIMPLE

Get affordable, quality air filtration for any room with a completely portable unit, so you can breathe easy anywhere, anytime, for a long time to come.

Turn Unit On

MiracleAir™ delivers exactly what you need - clean, fresh smelling, breathable air - from a high performance superior air cleaner.

Breathe In

This cleaner contains the same powerful robust odor-control components found in industrial & commercial air filtration units.

Breathe Out

The MiracleAir™ 15-pound ultra absorbent carbon filter (optional) is one of the hardest working, most effective odor-eliminators on the market today.

Relax

With its dynamically balanced external rotor motor, you enjoy quiet, smooth operation, so you barely know it's there.

ABOUT

AIR QUALITY ENGINEERING

Air Quality Engineering, founded in 1973, is proud to offer a continued, superior level of experience in manufacturing complete air filtration systems that provide the highest performance, efficiency & capacity for the money.

AQE's sales & engineering teams' mission is to identify the most cost-effective, high-quality solutions for their customers' needs, whether medical, commercial, industrial or residential.

MiracleAir™

Ultimate Commercial Grade High Efficiency HEPA Air Cleaner

TECHNICAL SPECIFICATIONS

AIRFLOW:	0-400 CFM* infinitely variable speed control
PRE-FILTER:	Impregnated carbon pre-filter
HEPA FILTER:	True HEPA with 82 sq. ft. of filtration area
ODOR CONTROL:	15 lbs activated carbon (optional), other blends available
FAN/MOTOR:	Dynamically balanced precision-built motor/blower for smooth vibration-free operation
SOUND LEVEL:	At 3 meters, 64 dBA on high, 35 dBA on low
POWER CONSUMPTION:	250 watts at maximum airflow
VOLTAGE REQUIRED:	120 volts, 2 amps, 60 Hz or 240 volts, 1 amp, 50/60 Hz
SIZE:	15.6 W x 15.6 D x 22.5 H
WEIGHT:	49 lbs, approximate shipping weight 57 lbs
HOUSING FINISH:	Durable powder-coated enamel finish

MAIN FEATURES

- Optimal airflow in all conditions with the infinitely variable speed motor/blower
- Powerful odor control capabilities utilizing 15 lbs of activated charcoal (optional)
- Completely portable & easy to move with included casters
- Cleans & sanitizes the air by trapping pollutants, allergens, dust & other particles with true HEPA filter (99.97% @ .3µ with 82 sq. ft. of surface area)
